

Introducing DitoGear™ Moco+

Submitted by andre on Sun, 02/23/2014 - 22:27

[1]

DitoGear™ has announced a new exiting upgrade for existing sliders. The Moco+ can be used to motorize existing sliders from Dynamic Perception. These kits, and all other items from DitoGear, can be ordered from us at ElysiaVisuals.com. Here is the official announcement from DitoGear:

DitoGear™ is pleased to announce the release of DitoGear™ Moco+, a family of Motion Control Add-ons designed for products by Cinevate, Kessler Crane®, Glidecam and Dynamic Perception. Freedom of choice At DitoGear™ we believe in freedom of choice. That's why we created DitoGear™ Moco+. Pick your favorite hardware and add renowned motion control solutions from DitoGear™ to build a system that matches the needs of the day and your personal style of work. Because we also believe you deserve the best cherries on the best cake.

Compatibility

DitoGear™ Moco+ is available for the following sliders:

1. Cinevate - Atlas 10 / 30 / 200 / FLT / Pegasus
2. [Dynamic Perception - Stage One Dolly](#) [2]
3. Glidecam - VistaTrack 10-48
4. Kessler Crane® - Kessler CineSlider™, Kessler Pocket Dolly®, Kessler Philip Bloom Pocket Dolly®, Kessler Stealth™

Performance

DitoGear™ Moco+ performs up to highest standards set by DitoGear™ Motion Control Devices and is compatible with all DitoGear controllers.

Servo Motors along with innovative proprietary low-level controllers used in all our motion control units allow for noise-free operation and a range of applications such as live action filming, timelapse, stop-motion and VFX applications (on a single motor).

Availability and Approximate Pricing

DitoGear™ Moco+ for Cinevate was introduced in 2013 and is available from both DitoGear™ and Cinevate. DitoGear™ Moco+ for Kessler Crane®, Glidecam and Dynamic Perception is available from DitoGear™ and is shipping on March 10.

Approx. kits prices are the following:

- \$1800 - Moco+ for Cinevate
- \$1200 - Moco+ for Kessler Crane®
- \$900 - Dynamic Perception Stage One
- \$900 - Glidecam
